### **The Class of 1973 Scholarship – Community Service Award**

The Class of 1973 Scholarship recognizes a graduating senior who has demonstrated exceptional dedication to community service. It honors a student who has chosen to give their time, energy, and compassion to others—someone who has made a meaningful difference within Haddon Township High School and the wider Haddon Township community.

This scholarship has been made possible through the generosity of members of the HTHS Class of 1973. More than fifty years ago, these graduates walked the same hallways, sat in the same classrooms, and shared many of the same hopes and uncertainties that today's seniors feel as they prepare to step into the next chapter of their lives.

Over the decades since their graduation, members of the Class of '73 have built careers, raised families, and contributed to their own communities in countless ways. Looking back, they recognize how the lessons, friendships, and support they received during their years at HTHS helped shape who they became.

This scholarship is their way of giving back to the school that helped shape them. By recognizing a student who has already demonstrated a commitment to serving others, the Class of 1973 hopes to encourage the same spirit of generosity, leadership, and community that has guided them for more than half a century.
